

NORTON

New & Improved!

BLUE MASKING TAPE FOR THE HARDWOOD FLOOR INDUSTRY

NEW AND IMPROVED TO MEET OR EXCEED MARKET STANDARDS, AND SAVES YOU MONEY TOO!

This premium grade, clean release tape comes in various widths for maximum versatility. Ideal for masking hardwood gym floors for game-line painting, as well as masking and hanging plastic sheeting for dust control.

The medium adhesion backing means just enough tackiness to stick well to surfaces without the risk of pulling off paint from the wall or leaving adhesive behind.

Sell in full box quantities or single unit - individually UPC bar coded and packaged to allow peg hook merchandising.
